Miss Edwards
Tells Change
In Kitchens

Place Becomes Bright
Workshop Under
Modern Times

"What a difference between the modern kitchen, and the kitchen of a few years ago!" says Miss Pauline Edwards, who will conduct the Tribune Happy Kitchen Cooking School May 5 to 8, in McKinley School Auditorium.

"I am impressed many times each day with the great amount of time and real effort being given to make the kitchen one of the brightest spots in the home, as well as an efficient work-room of which anyone might well be proud."

"And women, too—how alert and wide-awake they are, and how interested in making a genuine success of the career of home-maker. At no time in history have women been so aware of the importance of well-balanced diets, and properly cooked foods, to the health and happiness of their families."

"And surely no woman can regard as routine or monotonous, any part of her work which is so all-important in the development of sturdy, straight young bodies, and happy dispositions, as is the preparation of the right kind of food."

Every housewife should plan to attend the forthcoming sessions of the cooking school, for Miss Edwards has arranged a program which will be full to the brim of helpful ideas for women who must do all their own cooking. Not only will she discuss the importance of properly balancing the meal from a dietetic standpoint, but will prepare and give recipes for many modern and delightful dishes—recipes that will be practical for every day use, but that will be an entirely new and different way to prepare old stand-bys, and that will be as welcome to the family.

and by three children, Ruth Norman and Robert. The family has lived in Burlingame 10 years. Funeral services were held today from St. Paul's Episcopal Church.

Bowes' Radio
Stars Appear
Here Monday

Redwood Theatre Here
To Present Unit
In Person

Negotiations with Major Edward Bowes to bring a unit of his radio amateur stars to Redwood City were successful today, Phil Freese, owner of the Redwood Theatre here, announces.

The unit will appear in person on the stage of the Redwood Theatre beginning at 2:30 Monday for a continuous show. A regular film feature will also be presented.

In the show coming to Redwood City are names already known to listeners of the popular radio program.

Included will be the three Kelly Sisters, beautiful harmonizers—Judy, Martie and Pepper—formerly "home girls" of a little town in Pennsylvania.

Peggy Dean was a stocking canvasser and school girl who dreamed her dreams, who gave a performance which will start her on a musical career.

Smokey Joe worked his way over the country selling newspapers and learning to tap-dance by himself. His ambition is to be a public entertainer, which is about to be realized.

Charles Clark lost his job on a milk route, while working his way through the University of Wisconsin—by waking up his customers—so he brought his songs to the amateur hour and won a spot on Unit No. 12.

Grand opera is the next stop for petite Marie Marlow, who, after studying voice for two years, was urged by her friends to try out one Sunday evening.

From South River, N. J., came the Jack-of-all-instruments, who started with tin whistles and horns—learned to play the pipe organ at six—and now plays practically every instrument. He well deserves his place in the sun.

Raymond Biggs, with his imitations of airplane motors, fog-horns and barnyard "voice," gave a spectacular performance which earned him his place on Unit No. 12.

Al Mitchell, the only professional in the company, will substitute for the genial Major Bowes, as official Master of Ceremonies and "Gong Ringer."

Officials to Attend
Education Session

Four Sequoia faculty members and Mrs. John J. Garland, president of the Sequoia district Parent-Teachers' Association, will attend the Northern California Conference of the Progressive Education Association Friday, Saturday and Sunday in San Francisco, Oakland and Berkeley.

Mrs. Garland will take part in a P.-T. A. panel Friday, while Principal Clarence Argo, and Harvey Hall, Mrs. Eyla Wooldridge and S. S. Mayo will participate in other panel discussions Friday afternoon the association will meet in San Francisco. That evening sessions will be held both in San Francisco and in Oakland, and Saturday and Sunday the scene of the conference shifts to the University of California campus.

Early Settler,
Succumbs Here

Widow of Early Day
District Attorney
Mourned By Many

Mrs. Sarah T. Fox, Redwood City's oldest resident in point of years and a woman whose life story since 1864 almost parallels that of the city of her adoption, is dead.

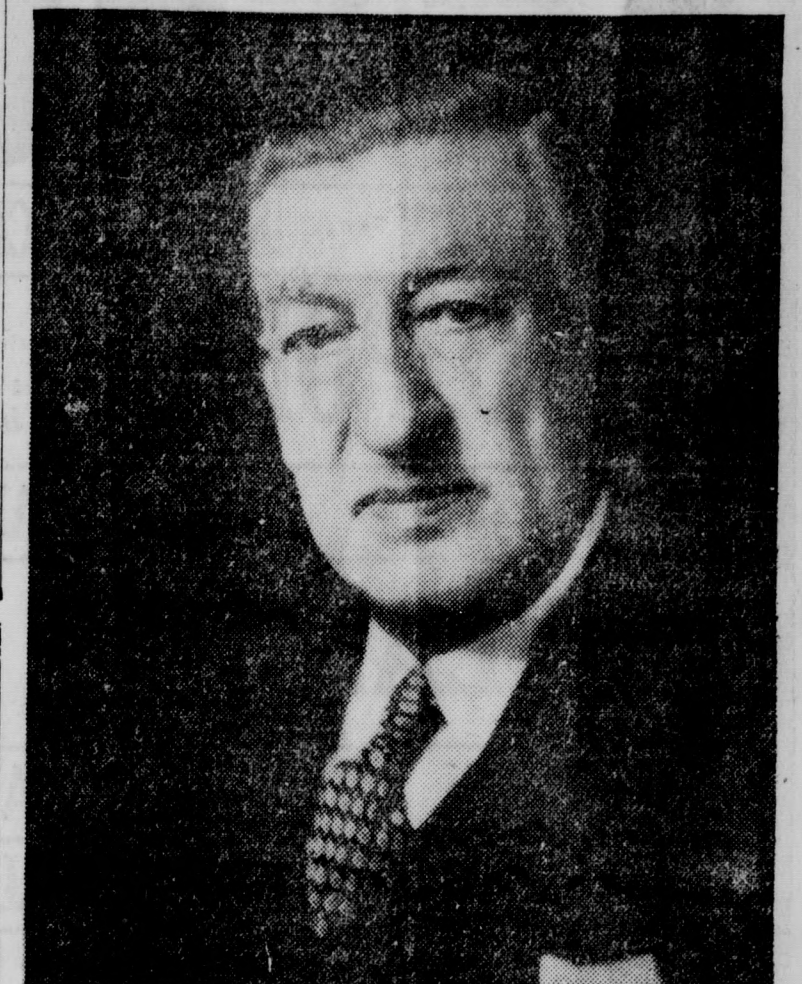

The 89-year-old widow of George W. Fox, one-time district attorney, passed away suddenly at 9 a. m. Sunday as she sat chatting with relatives with whom she lived. A heart attack was believed the cause of death.

Mrs. Fox was the mother of Claude Fox; Mrs. Zoe Thorpe, widow of Atty. Fayette H. Thorpe; Mrs. Ethel Otzen, wife of Lorenz Otzen, and Mrs. Bee Dimmitt, wife of Acting City Manager Charles L. Dimmitt, all of Redwood City.

END IS PEACEFUL

The 90th birthday of Mrs. Fox would have been celebrated next July 1. She had been in good health up to the time of her death, and only a week before had arisen especially early to greet Mr. and Mrs. Dimmitt and other

Mother Death Suit Submitted to Cotton

Following a day's hearing in superior court, Superior Judge A. R. Cotton today had under submission Dorothy Phillips' \$20,000 suit for death May 23, 1934, of her mother, Julia Phillips, in a crash in the Bayshore underpass at South San Francisco which Miss Phillips claims was caused by soap and water allowed to spill on the highway by three workers

who were washing walls of the tunnel. Defendants are Elmer Alkin, L. Kahrman and W. H. McCombs. The state originally was named in the suit also. Clarence Morris appeared in court for the three state workers, Ross & Ross represented Miss Phillips, who informed the court she twice had been denied damages on claims made to the state, once by the state board of control December 11, 1934, and once previously by Governor Merriam July 28, 1934.

Hobby Club Member Produces Newspaper

A new publication has entered the Redwood City field. It is the product of a hobby of Robert Patterson, 11, of McKinley school, member of the Jefferson School Hobby Club headed by Ralph Case.

Young Patterson prints the bi-monthly issue of his "Hobby Club Paper" on a hectograph, using ink he has made himself. A feature of the last issue of the paper was a cartoon by Warren Day.

MAN, WIFE HURT IN CRASH
L. Torre, 57, San Mateo, and Mrs. Torre suffered minor lacerations at 7:30 a.m. Tuesday when their machine was involved in a three-car crash on the Bayshore near South San Francisco. Drivers of the other cars were William Hammerson, 57, San Francisco, and Clifford H. Frye, 43, Burlingame.

MENLO PARK ITEMS

Monday night the city council met to canvass the votes of the recent election and adopted the usual resolution, declaring John B. Welsh and Harry Lusk, councilmen; Mrs. Fannie I. Kurtz, clerk, and Mrs. Frances Maloney, treasurer, to be duly elected and qualified.

Judge Edward Ryan swore in the clerk, Mrs. Kurtz, who in turn gave the oath to the others. Mr. Welsh and Mr. Lusk made short talks, thanking the people for their support and confidence.

Mr. James Cooper was elected mayor. Mr. Cooper and the old member of the board, in brief speeches welcomed the new members and pledged their cooperation at all times for the success of the new administration.

The retiring of W. H. Weeden leaves Mrs. Kurtz the original member of the official family, she

having been elected the first clerk when the town was incorporated. The retiring treasurer, J. W. Ryan, was the first to hold that office.

Miss Evelyn L. Wild of Menlo Park was united in marriage last Sunday at Palo Alto to Henry C. Kohnen of Redwood City. The pretty bride is a daughter of Mr. and Mrs. Carl Wild of Menlo Park and a graduate of Sequoia Union High School which Mr. Kohnen also attended. It was there the romance began that culminated in marriage.

Elmo Cornelison, the popular assistant postmaster, spent the weekend at the Del Mar Country Club, Santa Cruz.

The many friends of George Casey, formerly of Menlo Park, will be pleased to learn that he is recovering from a severe illness. Mr. Casey has been a resident of Palo Alto for many years. He is a brother of W. T. Casey, the local plumber.

The engagement of Miss Beatrice W. Thomas, the beautiful daughter of Mr. and Mrs. Evan B. Thomas of Alhambra, and Willard S. Johnson of San Mateo has been announced. The wedding day has been set for May 29. Rev. Ralph Smith will perform the ceremony in Trinity Episcopal Church. Mr. Johnson is a practicing attorney in San Francisco.

Menlo Park Republicans are united in support of the Warren unincorporated delegation to the Republican National Convention to be voted for on May 5. This ticket will sweep the state. The Landon slate is losing strength day by day.

Isabelle Weeden Lindquist, chairman of the round of the Parent-Teacher Association, announces that the annual physical examination for children who are ready to start to school will be held in Central School auditorium Wednesday, May 6, between 9 a.m. and 12 noon. There is no charge for this examination and parents are urged to bring or send their children.

On Saturday Mrs. Frances Maloney, Mrs. Catherine Derry, and Mrs. Isabel Lindquist of Menlo Park, with Mrs. Grace Loverich of Palo Alto and Mrs. Mamie Glenan and Mrs. Geraldine Brown of Redwood City attended the Chief Assembly of Past President of the Native Daughters held in Hotel Oakland. Mrs. Frances Maloney of Menlo Park, president of Association No. 9 of San Mateo county, had the honor of being elected to the office of grand director of the state association. Mrs. Maloney has been an active member of the Native Daughters in San Mateo county and her friends are very glad of the honor given her.

Mr. and Mrs. W. B. Simpson arrived in Menlo Park this week from Chicago, planning to spend the summer at their peninsula home.

CARD OF THANKS

I wish to thank all my friends who assured me of their confidence by giving me such a fine vote at the election held for city treasurer.

FRANCES E. MALONEY.

Scholastic Mark Set By Sequoia Graduate

Reports reaching Sequoia today disclosed that Sarah Frances Gossman, 15, graduate of Sequoia in 1934, has made an outstanding scholastic record in her first semester at Washington State College, Seattle.

The only Sequoia graduate at the Seattle institution, Miss Gossman entered last fall and is working her way through the school, according to the office of Julianne Wolters, Sequoia registrar and vice principal. Miss Gossman is the daughter of Mr. and Mrs. S. S. Gossman, formerly of Redwood City but now of Seattle.

Safety Awards Won By Two Local Men

Two former Redwood City men, drivers for the United Parcel Service, held awards Monday for having driven a total of 345,000 miles without an accident.

The men are Don Busa, who has driven 270,000 miles in eight years without mishap, and Fred Burgess, whose mileage without accident in five years amounts to 75,000.

Busa received \$50, and Burgess was presented with a gold watch by Bert Geary, regional manager of the delivery company, at a banquet Saturday at the Hotel William Taylor in San Francisco given

for drivers who had taken their cars a total of 204,000 miles without a single crash in the past 15 months. This record placed the company second to Long Beach in a national safety campaign.

When it's rhubarb time in California, there's a sparkle in the eye of the homegoing husband that means just one thing—rhubarb pie for dinner. Here's a luscious variation on this popular theme: Line a pie plate with plain cookie dough, and fill it with a mixture of 3 cups of rhubarb, cut up and rolled in cornstarch; 1 1/4 cups of sugar, and 1 slightly beaten egg. Bake in a moderate oven. You can make the cookie dough by mixing 2 1/2 cups flour, 1 teaspoon baking powder and 1/2 cup sugar with a slightly beaten egg and 1/4 cup of milk. Roll the dough 1/4-inch thick.

One sure way to keep the sparkle in your eyes all the year 'round is to make it a regular habit to drink Golden State milk every day. Drink it with your lunch, or between meals. You'll find that it steps up your energy and your resistance. Golden State milk tastes so good that you will enjoy this health habit.

Burglar Secures \$700 From Store At Burlingame

(Special to The Tribune)
BURLINGAME, April 20.—Gaining entrance by removing a win-

dow screen, a burglar opened the safe of the Borden Dairy Creamery in Burlingame last night and stole \$700.

Meanwhile police were investigating another burglary which was committed last week and not disclosed until this week-end because the victim did not know

that he had been robbed. Henry Ricci, sports shop owner, reported to police the loss of \$100 worth of guns, which had apparently been stolen last week but whose loss he had failed to notice until this week-end.

\$1000 Per Acre Price Is Fixed On Road Lands

Land at Lawndale used as right-of-way for the new Junipero Serra boulevard is worth less than \$1000 an acre, a jury in Superior Judge Maxwell McNutt's court decided Monday after two hours of deliberation following a trial which began a week ago.

The jury of 10 women and two men, voting 9 to 3, decided to award Annie H. Darbee \$4021.30 for her 4.357 acres; Irene L. Baccocco \$889.95 for her .86 acre, and Edward Divencenzi \$52.35 for his .051 acre. The latter two amounts included severance damage. Mrs. Darbee was denied anything for severance.

WINS SAFEWAY SCHOLARSHIP

Robert Anderson, member of the Future Farmers and exhibitor at the recent Junior Livestock show in South San Francisco, got the surprise of his young life when Safeway Stores, Inc. awarded him a scholarship for special aptitude and talent in the raising and care of the prize winning stock he entered. Rileen Doe (left), Safeway official, is shown presenting the scholarship diploma which entitles him to financial aid during his first year in the California Polytechnic School in San Luis Obispo.

Joan Andrews' MENU OF THE WEEK

Asparagus is so good and so inexpensive now that it really deserves to be the star of a meal, rather than a mere accompaniment for a meat course. Asparagus in cheese sauce is always popular as a luncheon dish, as is asparagus with Hollandaise. The other day, however, I ran across an excellent main dish recipe in which the asparagus shares starring honors with green peas. I have built a luncheon menu around this dish.

Asparagus and peas in egg sauce

Fried noodles

Hearts of lettuce with anchovy strips and French dressing
Strawberries and cream
Cocoanut wheat kisses

For the main dish, combine 2 cups of cooked, fresh asparagus, cut in one inch pieces, and 2 cups of fresh peas with 2 cups of hot white sauce and 2 hard-boiled eggs, cut up. Serve on toast. For the white sauce, use 2 tablespoons of butter, 2 tablespoons of flour and 2 cups of milk. Season with salt, pepper and 1 teaspoon of Worcestershire sauce. This will serve 6 people.

This is the cocoanut wheat kisses recipe: Beat 1 egg until very light. Then beat in, gradually, 1/2 cup of sugar. Add 2 cups of melted butter, 2 cups uncooked wheat flakes, 1/2 cup cocoanut, 1/4 teaspoon salt and 1 teaspoon vanilla. Drop from teaspoon on a greased pan and bake in a moderate oven 10 to 15 minutes.

STRENGTHEN THE BLADDER
 Make This 25c Test

Drink lots of boiled or distilled water if irritation causes getting up nights, frequent desire, scanty flow, burning, or backache. You know what hardwater does to a teakettle. Drive out excess acids and deposits with Buchu leaves, juniper oil, etc., made into green tablets called Bukets, the bladder lax. Works on the bladder similar to castor oil on the bowels. In four days, if not pleased, any druggist will refund your 25c.
